The purpose of Iowa Association of Alternative Education (IAAE) is to meet the needs of students, parents, teachers, administrators and Iowa's general citizenry through a nonprofit professional organization, dedicated to the improvement of alternative education: to gather and disseminate information to and about alternative education; to assist school districts wishing to establish an alternative school/program; to assist alternative schools/programs and/or school districts that are experiencing difficulties maintaining their alternative school/program; and to strengthen public support for alternative education as an important choice in the total education system.

Please join the members and supporters of Iowa Association of Alternative Education in promoting student success at this annual state-wide conference! The IAAE is looking for presenters to provide breakouts throughout the day, April 12 and 13. Please consider bringing your promising/best practices and sharing with colleagues at this state-wide converning.
